stress-free schooling

Apply for a 10-month project
in Telfs, Tyrol, Austria!

Volunteering starts in September 2022

Hosting organisation

Schulgarten – Aktive Montessorischule Telfs

www.schulgarten.at

Located in Telfs, Austria

Schulgarten – Aktive Montessorischule Telfs will be hosting two volunteers at the same time in 2022. One volunteer will be active in the "Primaria 1" (with 6- to 9-year-olds), and one in the "Sekundaria" (with 12- to 15-year-olds).

Some info on the hosting organisation:

- * We live "green": Our School is situated amidst the Tyrolean mountains Alps, is located at the edge of the town Telfs in western Tyrol and is surrounded by green fields. All seasons offer great opportunities for sports, outdoor activities, but also easy to reach close-by cultural events in Innsbruck, the capital of Tyrol, and sightseeing possibilities within Austria and neighbouring countries.
- * We work actively: Our huge garden is a learning field as well as an adventurous and recreational playground for our children. One day a week teaching takes place outdoor in the surrounding forests, using the offerings of nature for learning and exploring.
- * We teach child-based: Momentarily, our school hosts 74 children aged 6 to 15. Each one of them is treated like an intelligent, emotional and mature human being and is coached based on personal possibilities, abilities and interests by our pedagogic team (12 teachers).
- * We coach stress-free: Our children learn free of pressure and over-stress. They are allowed to have their individual pace in learning, achieving and implementing. And all within the pedagogic thoughts of Maria Montessori: "As much freedom as possible, as much structure as necessary."

Lead organisation & Funding

The lead organisation of this project is InfoEck (Verein Generationen und Gesellschaft). InfoEck coordinates seven volunteers in the region of Tyrol at six hosting organisations and oversees the administration, finances and the quality control of the project. InfoEck organises wide-ranging group activities for all volunteers about once a month (like a radio show, evaluation meetings, a charity cooking event etc.) These group events are part of the volunteering project and all volunteers should be prepared to participate in all these activities.

InfoEck has submitted this project to the Austrian National Agency and has received a confirmation for the grant. However, we are still waiting for the final contract for the funding (grant agreement). We are optimistic, due to good experiences in the past. The EU, InfoEck and Schulgarten will finance this volunteering project. The only possible financial contribution that the selected volunteer may need to make is to pay a small share of the travel costs.

The responsible coordinator is ready to answer open questions and to prepare the project with Schulgarten, the selected volunteer and the supporting sending organisation. The coordinator's name is Elisabeth Summerauer: international@infoeck.at (send applications to Schulgarten, not to Elisabeth!).

In the hosting organisation the volunteers will receive orientation and support for the activities from the main responsible employee and from the entire team.

The lead organisation InfoEck will hold regular group meetings with all volunteers in Tyrol in order to share experiences, give support to one another and to stay connected. The volunteers are involved in common projects and will receive a German course. The volunteers will get to know other volunteers from various countries and will be invited to participate in occasional free-time activities.

At the end of the project, we will evaluate together with the volunteers and look at what they have learned and which competences they gained and as a result, the volunteer can fill in the Youthpass certificate.
